TABULATION PROCEDURES

8. Pursuant to the Solicitation Procedures Order, claimants in Classes 2(a)-(1), 3(a)-(1), 6(a)-(1) and 8(a)-(1) were to send their respective Ballots to GCG as follows: (a) by first class mail, addressed to The Garden City Group, Inc., Attn: Building Materials Holding Corporation, P.O. Box 9393, Dublin, OH 43017-4293; or (b) by overnight courier or hand delivery, addressed to The Garden City Group, Inc., Attn: Building Materials Holding Corporation, 5151 Blazer Parkway, Suite A, Dublin, OH 43017, so as to be received by GCG no later than 4:00 p.m. (prevailing Eastern Time) on November 25, 2009 (the “Voting Deadline”), unless extended by the Debtors.

9. Upon GCG’s receipt of a Ballot by mail, overnight courier, or hand delivery:

(a) GCG personnel opened the envelope containing the Ballot and stamped the Ballot with the date and time received. GCG personnel then scanned the Ballot into GCG’s system and assigned a sequential number to the Ballot (the “Sequence Number”); and

(b) GCG personnel then entered into a computer database, reserved exclusively for recording votes in the above-captioned cases, all pertinent information from the Ballot, including the date of receipt, the Sequence Number, the voting dollar amount, and the acceptance or rejection of the Plan(s), and for Class 6(a)-(1) Ballots only, the election to make the Small Unsecured Claims Class Election and Accept All Subplans.

10. The amount of each claim within a Class of claims entitled to vote to accept or reject a respective Debtor’s Plan was determined in accordance with Paragraph 12 of the Solicitation Procedures Order. The claim amounts used were as follows:

(a) The claim amount listed in a Debtor’s schedule of liabilities, provided that (i) such claim was not scheduled as contingent, unliquidated, undetermined, or disputed and (ii) no Proof of Claim was timely filed (or otherwise deemed timely filed by the Court under applicable law).

(b) The noncontingent and liquidated amount specified in a Proof of Claim timely filed with the Court or GCG (or otherwise deemed timely filed by the Court under applicable law) to the extent that the Proof of Claim had not been superseded or amended by another Proof of Claim and was not the subject of an objection, either generally to the applicable claim or solely for purposes of

determining the amount of the applicable claim for voting purposes, filed by the November 16, 2009 Voting Objection Deadline (or if such claim had been resolved pursuant to a stipulation or order entered by the Court, or otherwise resolved by the Court, the amount set forth in such stipulation or order).

(c) The amount temporarily allowed by the Court for voting purposes, pursuant to Bankruptcy Rule 3018(a).

(d) Except as otherwise provided in subsection (c) above, with respect to a Ballot cast by an alleged creditor whose claim (i) was not listed in a Debtor's schedule of liabilities or (ii) was listed as disputed, contingent, and/or unliquidated on a Debtor's schedule of liabilities, but who had timely filed a Proof of Claim in an unliquidated or unknown amount that was not the subject of an objection filed before the Vote Objection Deadline, such Ballot was counted as a vote in determining whether the numerosity requirement of section 1126(c) of the Bankruptcy Code had been met solely with respect to Classes 6(a)–(1) and 8(a)–(1) of the Plan, but was not counted in determining whether the aggregate claim amount requirement had been met.

(e) With respect to a Ballot cast by a creditor holding a claim in Classes 8(a)–(1), whether such claim is treated in such Classes because the claimant's aggregate claims against all of the Debtors is less than \$5,000 or because such claims exceed \$5,000 but were reduced to \$5,000 in the aggregate by virtue of the creditor making the Small Unsecured Claims Class Election on a Class 6(a)–(1) Ballot, such Ballot was counted as a Class 8(a)–(1) vote, as applicable, in determining whether the numerosity requirement of section 1126(c) of the Bankruptcy Code has been met with respect to the applicable Class and, with respect to such Class, in an amount equal to the lesser of the full amount of the claim of the creditor in such Class and \$5,000.³

(f) If a creditor elected to complete Item 1 on the Ballot, which allowed a single vote for all claims held by such creditor in the applicable Classes, such vote was counted separately for numerosity purposes in each Class in which the creditor was entitled to vote and, with respect to each such Class, in the full amount of the claim in such Class, except as provided in subsection (e) above.

11. Pursuant to Paragraph 15 of the Solicitation Procedures Order, GCG

tabulated the Ballots in accordance with the following voting procedures and standard assumptions:

(a) For purposes of the numerosity requirement of section 1126(c) of the Bankruptcy Code, separate claims held by a single creditor in a particular Class were aggregated and treated as if such creditor held one claim in such Class, and

³ In the event a creditor with claims against two or more of the Debtors totaling in the aggregate greater than \$5,000 made the Small Unsecured Claims Class Election, the dollar amount of the claim against each Debtor was reduced to an amount equal to (a) the dollar amount of the creditor's Class 8 claim against that Debtor divided by the aggregate dollar amount of the creditor's Class 8 claims against all Debtors, (b) multiplied by \$5,000.

the vote related to such claim was treated as a single vote to accept or reject the Subplan applicable to such Class.

(b) Creditors were required to vote all of their claims within a particular Class either to accept or reject the applicable Subplan and could not split their vote. A Ballot that partially rejects and partially accepts such Subplan was not counted with respect to the applicable Subplan.

(c) Ballots that indicate both acceptance and rejection of a Subplan were not counted as votes to accept or reject such Subplan.

(d) Ballots that fail to indicate an acceptance or rejection of any Subplan were not counted as votes to accept or reject any of the Subplans.

(e) Ballots that indicate an acceptance or rejection of one Subplan applicable to the voting creditor but fail to indicate an acceptance or rejection of another applicable Subplan, and which are otherwise properly executed and received prior to the Voting Deadline, were counted as votes to accept or reject all of the Subplans applicable to the voting creditor in the same manner as actually voted.

(f) Ballots that indicate acceptance or rejection of one Subplan applicable to the voting creditor and rejection of another Subplan applicable to the voting creditor were counted as a vote to accept the Subplan for which such creditor voted to accept and a vote to reject the Subplan for which such creditor voted to reject.

(g) Only Ballots that were timely received prior to the Voting Deadline and that were properly executed were counted. (Ballots postmarked prior to the Voting Deadline, but received after the Voting Deadline, were not counted). Unsigned Ballots were not counted.

(h) Ballots that are illegible, or contain insufficient information to permit the identification of the creditor, were not counted.

(i) Whenever a creditor cast more than one Ballot voting the same claim prior to the Voting Deadline, the last Ballot received prior to the Voting Deadline was deemed to reflect the voter's intent and supersedes any prior Ballots.

(j) If a creditor simultaneously cast inconsistent duplicate Ballots with respect to the same claim, such Ballots were not counted.

(k) Each creditor was deemed to have voted the full amount of its claim.

(l) If a creditor in Classes 6(a)–(l) made a Small Unsecured Claims Class Election on its Class 6 Ballot, such election constitutes acceptance of all the Subplans by such creditor, and all of such creditor's claims against the Debtors were deemed treated solely as claims in Classes 8(a)–(l) limited in the aggregate to no more than \$5,000, and the Class 6 Ballot submitted by such creditor was deemed to be an accepting Class 8 Ballot.

(m) Each creditor was entitled to vote to accept or reject all of the Subplans applicable to it (and to make a Small Unsecured Claims Class Election, if applicable) by completing Item 1 on the Ballot, which allowed a single vote for all claims held by such creditor.

12. GCG is in possession of the Ballots received, and copies of same are available for review during GCG's regular business hours at 5151 Blazer Parkway, Suite A, Dublin, Ohio 43017 or 105 Maxess Road, Melville, NY 11747.

(collectively, "LIBERTY") issued numerous surety bonds at the request of Building Materials Holding Corporation ("BMHC") and its affiliates, subsidiaries, parent companies, and other entities whether wholly or partially owned or controlled by or with BMHC or its principals or members, which include, without limitation, BMC West Corporation, dba BMC Millwork, BMC West Corp, SelectBuild Arizona, LLC, C Construction, Inc., dba Select Build, TWF Construction, Inc., WBC Construction, LLC, BMC West South Central, LP, SelectBuild Florida, LLC, BBD Construction, LP, dba BMC Construction, and other entities (collectively, "Debtor"). 2. Certain Debtors are Indemnitors under that certain General Agreement of Indemnity dated April 15, 2004, and certain Debtors are also Indemnitors under that certain General Agreement of Indemnity—Commercial Surety dated December 21, 2004 (these two documents shall be collectively referred to herein as the "Indemnity Agreements").

3. The Debtors have filed a Joint Plan Of Reorganization For The Debtors Under Chapter 11 Of the Bankruptcy Code Amended October 22, 2009 (the "Plan").

4. The Debtors agree to include language in the confirmation order with respect to the Plan specifying that the Indemnity Agreements are being assumed under the Plan.

5. Because the Debtors are assuming the Indemnity Agreements, and all obligations thereunder, pursuant to 11 U.S.C. § 365, the Debtors and LIBERTY agree that LIBERTY is not an impaired creditor and is not entitled to vote on the Plan.

6. In an abundance of caution, on November 25, 2009, LIBERTY submitted a vote in the amount of \$105,069,328 accepting the Plan in each of the Debtors' jointly administered cases, which is the amount of LIBERTY's proof of claims submitted in each of the Debtors' cases based on the collective penal sums of the known Bonds.

7. Based on the agreements set forth herein, LIBERTY hereby withdraws its vote on the Plan and agrees to the disallowance of its claim for voting purposes in each of the Debtors' jointly administered cases.
