9004, 9006, 9014, and 9019, (I) Authorizing the Private Sale by C Construction, Inc. of the Purchased Assets Free and Clear of Liens, Encumbrances and Other Interests, (II) Authorizing the Assumption and Assignment of Certain Assumed Contracts, (III) Approving the Asset Purchase Agreement and the Transition Services Agreement, (IV) Authorizing the Debtors to Pay Severance, (V) Authorizing the Wind Down of Business Operations in Illinois and (VI) Granting Related Relief (the "Sale Motion"),² so that the Sale Motion may be heard on December 17, 2009 at 10:00 a.m. (ET).

- 1. The Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") require twenty (21) days' notice prior to the hearing date for motions involving the use or sale of estate property. See Fed. R. Bankr. P. 2002(a)(2). Likewise, Local Rule 9006-1(c) provides for a seventeen (17) day notice period (if service is by mail) for motions not otherwise governed by the Bankruptcy Rules or the Local Rules. Pursuant to Local Rule 9006-1(e), however, such periods may be shortened by Order of the Court upon written motion specifying the exigencies supporting shortened notice.
- 2. The Debtors commenced the present chapter 11 cases under substantial financial distress and with a need to quickly rationalize their balance sheets to remain viable during the current unprecedented economic downturn and to preserve and maximize the value of their assets. The competitive landscape demands that the Debtors, like their competitors, demonstrate an ability to survive this difficult period and quickly emerge from bankruptcy with a capital structure that is sufficient to support the reorganized Debtors' business operations on a go-forward basis. The longer the Debtors remain in chapter 11, the greater

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Sale Motion.

effect these proceedings have on the Debtors' business operations as the Debtors' competitors continue in their efforts to siphon the Debtors' employees and customers—luring them away with the promise of greater stability elsewhere.

- 3. Mindful of the debilitating effect these proceedings have on their business operations, the Debtors labored to develop a plan of reorganization that results in the greatest possible distribution to their creditors and which incorporates a capital structure that will allow the Debtors' business operations to continue. To this end, on the Petition Date, the Debtors filed their proposed chapter 11 plan (the "Plan") and accompanying disclosure statement (the "Disclosure Statement"). Since that time, the Debtors filed several amended versions of the Plan and Disclosure Statement. The Court approved the Disclosure Statement by order entered on October 22, 2009 [Docket No. 768], and the hearing to confirm the Plan is currently scheduled for December 10, 2009, with an anticipated effective date (the "Effective Date") prior to the end of 2009.
- 4. The Debtors submit that there is sufficient cause to justify shortening the notice period for the hearing on approval of the Sale Motion as it relates to the relief sought therein. As set forth more fully in the Sale Motion, the Debtors believe, in their informed business judgment, that consummating the sale of the Ontario Framing Business and the Illinois Business Wind Down prior to the Effective Date of the Plan and before the end of 2009 will provide the estate and its creditors with the highest and best value for the assets. In this regard, if these transactions are consummated prior to the Effective Date of the Plan and before the end of the year, the Debtors, in addition to the consideration to be received as a result of sale of the Ontario Framing Business, by operation of the Worker, Homeownership, and Business Assistance Act of 2009, enacted on November 6, 2009, could receive a tax refund of

approximately \$23 million on account of the sale of the Ontario Framing Business and as a result of the Illinois Business Wind Down. However, the Debtors' window of opportunity to seize these tax benefits – much like their window of opportunity to successfully emerge from chapter 11 – is short and, indeed, expires if these transactions are not consummated prior to the Effective Date of the Plan and before the end of 2009. If the Debtors are to meet this critical deadline, this Court's consideration of the Sale Motion cannot be delayed beyond the timeframe proposed herein.

- 5. The Debtors therefore believe that, as is the case with these chapter 11 cases generally, time is of the essence and it is imperative that the Sale proceed on an expedited basis so that they can take advantage of these significant tax benefits. Simply put, there is no time for a lengthy auction process, and proceeding by an expedited private sale presents the best opportunity for the Debtors and their estates to extract meaningful value out of the Ontario Framing Business. All interested parties will have the opportunity to submit offers and, consistent with their fiduciary duties to their estates, the Debtors will consider all such offers. Nevertheless, due to the unique nature of the business, as set forth in detail in the Motion, the Debtors do not anticipate receiving any competing offers on terms more favorable to those in the Current APA.
- 6. As a result of the expedited timeframe within which the Debtors are seeking to complete the Sale and the Illinois Business Wind Down, the Debtors submit that it is critical for the relief sought in the Sale Motion to be considered and approved no later than the December 17, 2009 hearing. Absent the relief requested herein, the Debtors efforts to consummate the Sale and effectuate the Illinois Business Wind Down on an expedited basis, and to receive meaningful benefit therefrom, will be jeopardized. In light of this, the Debtors

submit that consideration of the Sale Motion at the December 17th hearing is necessary and in the best interests of their estates and creditors so that the Sale Motion and the relief requested therein, which are inextricably tied to the Debtors' efforts to preserve and maximize the value of their estates and successfully emerge from chapter 11 in a timely manner, can be approved on an expedited basis.

- 7. Prior to the filing of this Motion to Shorten, the Debtors conferred with the Creditors' Committee regarding the relief requested in the Sale Motion, and do not believe that the Creditors' Committee opposes this Court's consideration of the relief requested therein on an expedited basis.
- Because of the shortened notice period, the Debtors propose to give any party objecting to the Sale Motion until December 16, 2009 at 12:00 p.m. (ET) to file and serve any objections to the Sale Motion, including, without limitation, to the assumption and assignment of the Contracts and the corresponding Cure Amounts, upon the undersigned counsel for the Debtors. Given the shortened notice period, the Sale Motion will be served by overnight and/or electronic or hand delivery on: (a) the U.S. Trustee; (b) counsel to Wells Fargo Bank, as agent under the Debtors' Prepetition Credit Agreement and DIP Facility (as defined in the Plan); (c) counsel to the Creditors' Committee; (d) any persons who have filed a request for notice in the Chapter 11 Cases pursuant to Bankruptcy Rule 2002; (e) all parties known to the Debtors who have an interest in or rights to the Purchased Assets; (f) all non-Debtor parties to the Contracts; (g) all taxing authorities having jurisdiction over any of the Purchased Assets, including the Internal Revenue Service; (h) the Attorney(s) General in the State(s) where the Purchased Assets are located; and (i) all known creditors of the Ontario Framing Business and the Illinois Business Entities.

WHEREFORE, the Debtors respectfully request the Court to enter an order, substantially in the form attached hereto as Exhibit A, scheduling a hearing on the relief requested in the Sale Motion for December 17, 2009 at 10:00 a.m. (ET) and requiring that any responses to such motion be filed and served upon the undersigned counsel so as to be received on or before December 16, 2009 at 12:00 p.m. (ET).
