of the claims (the “Disputed Claims”) listed on Exhibit A to the proposed form of order attached hereto as Exhibit 2 (the “Proposed Order”), and request the entry of an order reclassifying, in full or in part, each of the Disputed Claims, as indicated in further detail below and on Exhibit A. In support of this Objection, the Debtors rely on the Declaration of Paul S. Street in Support of the Debtors’ Seventh Omnibus (Non-Substantive) Objection to Claims Pursuant to Section 502(b) of the Bankruptcy Code, Bankruptcy Rules 3003 and 3007 and Local Rule 3007-1 (the “Street Declaration”), a copy of which is attached hereto as Exhibit 1. In further support, the Debtors respectfully represent as follows:

#### **JURISDICTION AND VENUE**

1. This Court has jurisdiction to consider this Objection pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicates for the relief requested herein are section 502(b) of the Bankruptcy Code, along with Bankruptcy Rules 3003 and 3007 and Local Rule 3007-1.

#### **BACKGROUND**

2. On June 16, 2009 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”). The Debtors continue to operate their businesses and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in the Chapter 11 Cases. On July 26, 2009, the Office of the United States Trustee (the “U.S. Trustee”) appointed the official committee of unsecured creditors (the “Creditors’ Committee”).

3. The Debtors are one of the largest providers of residential building products and construction services in the United States. The Debtors distribute building materials, manufacture building components (e.g., millwork, floor and roof trusses, and wall panels), and provide construction services to professional builders and contractors through a network of 31 distribution facilities, 43 manufacturing facilities, and five regional construction services facilities.

4. The Debtors operate under two brand names: BMC West® and SelectBuild®.

- **BMC West.** Under the BMC West brand, the Debtors market and sell building products, manufacture building components, and provide construction services to professional builders and contractors. Products include structural lumber and building materials purchased from manufacturers, as well as manufactured building components such as millwork, trusses, and wall panels. Construction services include installation of various building products and framing. The Debtors currently offer these products and services in major metropolitan markets in Texas, Washington, Colorado, Idaho, Utah, Montana, North Carolina, California, and Oregon.
- **SelectBuild.** Under the SelectBuild brand, the Debtors offer integrated construction services to production homebuilders, as well as commercial and multi-family builders. Services include wood framing, concrete services, managing labor and construction schedules, and sourcing materials. The Debtors currently offer these services in major metropolitan markets in California, Arizona, Nevada and Illinois.

5. On the Petition Date, the Debtors filed their proposed chapter 11 plan (the “Plan”) and accompanying disclosure statement (the “Disclosure Statement”). The Debtors filed several amended versions of the Plan and Disclosure Statement since that time. The Court approved the Disclosure Statement by order entered on October 22, 2009, and confirmed the Plan by order entered on December 17, 2009. To implement their restructuring, the Debtors

have obtained \$80 million in debtor-in-possession financing, which the Court approved on a final basis on July 1, 2009.

**BAR DATE AND PROOFS OF CLAIM**

6. On June 17, 2009, this Court entered an order [Docket No. 53] appointing The Garden City Group, Inc. ("GCG") as the claims and noticing agent in these chapter 11 cases. GCG is authorized to maintain (i) all proofs of claim filed against the Debtors in these bankruptcy proceedings and (ii) an official claims register by docketing all proofs of claim in a claims database containing, among other things, information regarding the name and address of each claimant, the date the proof of claim was received by GCG, the claim number assigned to the proof of claim and the asserted amount and classification of the claim.

7. On July 16, 2009, this Court entered an order [Docket No. 248] (the "Bar Date Order") (i) establishing August 31, 2009 at 4:00 p.m. (prevailing Eastern Time) (the "General Bar Date") as the final date and time for filing proofs of claim against the Debtors' estates on account of claims arising, or deemed to have arisen, pursuant to section 501(d) of the Bankruptcy Code prior to the Petition Date, and (ii) approving the form and manner of notice of the General Bar Date. Therein, the Court also established December 16, 2009 at 4:00 p.m. (prevailing Eastern Time) (the "Government Bar Date") as the final date and time for any governmental unit to file proofs of claims against the Debtors' estates on account of claims (whether secured, unsecured priority or unsecured non-priority) that arose prior to or on the Petition Date.

8. Additionally, pursuant to the Bar Date Order, any entity asserting a claim (a "Rejection Damages Claim") against the Debtors' estates in connection with the Debtors' rejection of an executory contract and/or unexpired lease under section 365 of the Bankruptcy

Code prior to the confirmation of a chapter 11 plan was required to file a proof of claim on or before the later of (i) the General Bar Date or (ii) 4:00 p.m. (prevailing Eastern Time) on the date that is thirty (30) days after entry of an order approving the rejection of such executory contract and/or unexpired lease pursuant to which the entity asserting the Rejection Damages Claim is a party (the “Rejection Bar Date,” and together with the General Bar Date and the Government Bar Date, the “Bar Date”).

9. Pursuant to the Bar Date Order, actual notice of the Bar Date was sent to (i) all known entities holding potential prepetition claims and their counsel (if known); (ii) all parties that have requested notice in these cases; (iii) all equity security holders; (iv) the U.S. Trustee; (v) the Securities and Exchange Commission; and (vi) all taxing authorities for the jurisdictions in which the Debtors do business. In addition, notice of the Bar Date was published in the national edition of the *Wall Street Journal* and local editions of *LA Times*, *Sun-Sentinel*, *Miami Herald*, *Impacto USA*, *Las Vegas Review-Journal*, *El Tiempo*, *Arizona Republic*, and *Prensa Hispana*. Affidavits of service and publication [Docket Nos. 296, 366-68, 411, 498-501, and 524] confirming such actual notice and publication of the Bar Date have been filed with this Court.

#### **RELIEF REQUESTED**

10. By this Objection, the Debtors request the Court to enter an order, pursuant to section 502(b) of the Bankruptcy Code, Bankruptcy Rules 3003 and 3007 and Local Rule 3007-1, reclassifying, in full or in part, each of the Disputed Claims, as indicated in further detail below and on Exhibit A to the Proposed Order.

11. In accordance with Local Rule 3007-1(e)(i)(E), the Debtors believe that this Objection complies in all respects with Local Rule 3007-1, including Local Rule 3007-1(d)(viii).

### **OBJECTION**

12. The claimants asserting the claims identified under the column titled “Objectionable Claim” on Exhibit A to the Proposed Order (the “Reclassified Claims”) asserted that all or a portion of their claim is entitled to secured or priority status. Local Rule 3007-1(d)(viii) provides that a debtor may object on a non-substantive basis to a claim that is incorrectly classified, provided that such an objection is “separately filed, provides in its title (or otherwise conspicuously states) that substantive rights may be affected by [the objection] and by any further [o]bjection that may be filed and otherwise complies with [the] Local Rules.” After reconciling the Reclassified Claims (and the materials submitted in support thereof) against their books and records, the Debtors have determined that the priority level of the Reclassified Claims should be adjusted.

13. Specifically, the Reclassified Claims are not entitled, under the Bankruptcy Code or otherwise, to the secured or priority status set forth in each claimant’s proof of claim. Consequently, the Debtors believe that the Reclassified Claims should be reclassified as indicated in the “Amount and Classification of Reclassified Claim” column on Exhibit A to the Proposed Order. Any failure to do so would award the claimants undue secured or priority status to the detriment of other creditors in these chapter 11 cases. Accordingly, the Debtors hereby object to the Reclassified Claims and request the Court to enter an order reclassifying, in full or in part, the Reclassified Claims, as indicated in detail on Exhibit A to the Proposed Order.

## **RESERVATION OF RIGHTS**

14. The Debtors expressly reserve the right to amend, modify or supplement this Objection, and to file additional objections to any claims filed in these chapter 11 cases, including, without limitation, any and all claims which are the subject of this Objection. In the event the Court determines that the Debtors' objections herein to the Reclassified Claims are more properly characterized as substantive (as opposed to non-substantive) objections, the Debtors reserve any and all rights to amend, modify or supplement their objections to any and all such claims

## **NOTICE**

15. Notice of the Objection will be provided to: (i) the U.S. Trustee; (ii) counsel to the Creditors' Committee; (iii) counsel to Wells Fargo Bank, as agent under the Debtors' Prepetition Credit Agreement and DIP Facility (as defined in the Plan); (iv) claimants whose Disputed Claims are subject to this Objection; and (v) all parties entitled to notice under Local Rule 2002-1(b). In light of the nature of the relief requested herein, the Debtors submit that no other or further notice is necessary.

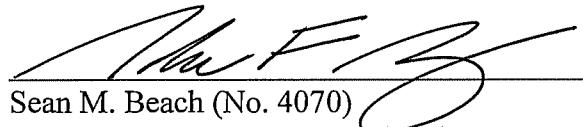

*Remainder of page intentionally left blank*

## CONCLUSION

WHEREFORE, the Debtors respectfully request the Court to enter an order, substantially in the form attached hereto as Exhibit 2, sustaining this Objection in all respects and granting such other and further relief as the Court deems just and proper.
