U.S. BANKRUPTCY COURT
DISTRICT OF DELAWARE

To Whom It May Concern:

Regarding the reclassification of our claim, we hereby disallow a distinction between a "priority claim" and an "unsecured claim."

The amount of our claim continues to be \$1,735. This amount includes a charge of \$1,650 for a custom-ordered product and a charge of \$85 for the delivery of that product to the debtor. These charges were approved by the debtor as part of the original estimate for this particular order. As a result, both charges continue to form the basis for our claim against the debtor.

Enclosed is a copy of our original estimate to the debtor, along with a copy of their acceptance of our original estimate, including both charges.

Please don't hesitate to contact me with any questions.

Thank you,
