**GLOBAL NOTES AND STATEMENT OF
LIMITATIONS, METHODOLOGY, AND DISCLAIMER
REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Building Materials Holding Corporation and its subsidiaries, as debtors and debtors in possession (collectively, the "***Debtors***"), have filed their respective Schedules of Assets and Liabilities (the "***Schedules***") and Statements of Financial Affairs ("***SOFAs***," and collectively with the "***Schedules***," the "***Schedules and Statements***") in the United States Bankruptcy Court for the District of Delaware (the "***Bankruptcy Court***"). The Debtors, with the assistance of their advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code (the "***Bankruptcy Code***") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***").

William M. Smartt, Senior Vice President of the Debtors, has signed the Schedules and Statements. In reviewing and signing the Schedules and Statements, Mr. Smartt has necessarily relied upon the efforts, statements, and representations of various personnel of the Debtors. Mr. Smartt has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Schedules and Statements (the "***Global Notes***") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global

¹ The Debtors, along with the last four digits of each Debtor's tax identification number, are as follows: Building Materials Holding Corporation (4269), BMC West Corporation (0454), SelectBuild Construction, Inc. (1340), SelectBuild Northern California, Inc. (7579), Illinois Framing, Inc. (4451), C Construction, Inc. (8206), TWF Construction, Inc. (3334), H.N.R. Framing Systems, Inc. (4329), SelectBuild Southern California, Inc. (9378), SelectBuild Nevada, Inc. (8912), SelectBuild Arizona, LLC (0036), and SelectBuild Illinois, LLC (0792). The mailing address for the Debtors is 720 Park Boulevard, Suite 200, Boise, Idaho 83712.

Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.²

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("**GAAP**"), nor are they intended to be fully reconciled to the Debtors' financial statements (whether publicly filed or otherwise). The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. In some instances, data relating to discontinued business locations could not be located, although the Debtors attempted in good faith to obtain as much information as was reasonably possible. The Debtors have made reasonable and good faith efforts to ensure the accuracy and completeness of such financial information, but further research or discovery may identify subsequent information that may necessitate material amendments to the Schedules and Statements. As a result, the Debtors are unable to warrant or represent that the Schedules and Statements are without inadvertent errors, omissions, or inaccuracies. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate.

Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases, including, without limitation, any issues involving substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

1. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a) **Accruals/Unvouchered Payables.** The Debtors have made every reasonable attempt to list all accruals and unvouchered payables on their liabilities schedules.
- b) **Amendments and Supplements.** While the Debtors made reasonable and good faith efforts to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate.
- c) **Bankruptcy Court Orders.** Pursuant to various orders entered or to be entered by the Bankruptcy Court (collectively, the "***Pre-petition Payment Orders***"), the Debtors were or will be authorized to pay certain outstanding pre-petition claims, including, without limitation, certain claims of employees for wages, salaries and

² These Global Notes are in addition to the specific notes contained in each Debtor's Schedules and Statements. The fact that the Debtors have prepared a "Specific Note" with respect only to specific Schedules and Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such Specific Note to any of the Debtors' remaining Schedules and Statements, as appropriate.

benefits, certain tax claims, and certain claims of customers, critical vendors, foreign vendors, shippers, warehousemen, materialman's lien claimants, and joint check beneficiaries. However, despite the Debtors' good faith efforts to account for the satisfaction of such claims pursuant to the Pre-petition Payment Orders, the claims listed in the Schedules and Statements may not reflect amounts paid pursuant to these various Orders as such claims were unpaid as of June 16, 2009 (the "**Petition Date**"). To the extent possible, the Debtors have indicated that these claims are contingent in light of the fact that they may be satisfied postpetition. Moreover, to the extent such claims are listed on the Schedules and Statements, inadvertently or otherwise, the Debtors do not waive any right to amend the Schedules and Statements and/or subsequently object to such claims on any basis, including that such claims have already been satisfied through payments with respect to the Pre-petition Payment Orders.

- d) Claims Description. Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve all rights to dispute any claim, whether reflected on their respective Schedules and Statements or asserted pursuant to a filed proof of claim, on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated."
- e) Classifications. Listing a claim or contract (1) on Schedule D as "secured," (2) on Schedule E as "priority," (3) on Schedule F as "unsecured," or (4) on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.
- f) Causes of Action. Despite reasonable and good faith efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action. Similarly, in instances where the Debtors are defendants in pending causes of action, nothing in the Global Notes or the Schedules and Statements shall be deemed as an admission or determination with respect to, or a waiver of any defense or objection to, such causes of action, and all of the Debtors' defenses, objection and other rights with respect to such causes of action are hereby preserved.
- g) Schedules and Statement Reflect Assets at Net Book Value. In certain instances, market valuations are neither maintained by, nor readily available to, the Debtors. In other instances, market valuations are available but they are out-of-date. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect the Debtors' assets at net book values. Market values of these assets may vary, at some times materially, from the net book value of such assets. As

applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value.

- h) Estimates and Assumptions. In preparing the Schedules and Statements, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure and potential values of contingent assets and liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, perhaps materially.
- i) Executory Contracts and Unexpired Leases. The Debtors have not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts may have some value to the Debtors' estates. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G. The Debtors' rejection of executory contracts and unexpired leases will result in the assertion of rejection damages claims; as no such contracts and leases had been rejected by Court order on the Petition Date, and no rejection damages claims had been filed as of such Date, the Schedules and Statements do not reflect any claims for rejection damages claims. The Debtors reserve the right to make any arguments and objections with respect to the assertion of any such claims.
- j) Foreign Currency. All amounts are reflected in U.S. dollars.
- k) GAAP. Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under GAAP, the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
- l) Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of the Debtors; (d) relatives of directors, officers, or shareholders holding in excess of 5% of the voting shares of the Debtors; and (e) debtor affiliates.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability, or for any other purpose.

- m) Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been

abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the Debtor that is the rightful owner of such intellectual property, however, in some instances intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

- n) Intercompany Claims. Receivables and payables among the Debtors in these cases (each an "*Intercompany Receivable*" or "*Intercompany Payable*" and, collectively, the "*Intercompany Claims*") are reported on Schedule B(16) as a net receivable or payable due to or from the applicable Debtor to or from the other Debtors. Where no balance is listed, the Debtors do not believe, based on information currently available, that the applicable Debtor has any Intercompany Receivables or Intercompany Payables. This manner of reporting follows the Debtors' customary practice of reporting such claims. However, while the Debtors maintain records of intercompany transactions and can ascertain, trace, and account for Intercompany Claims, the Debtors' accounting systems do not allow them to do so in real-time because the Debtors operate on a consolidated basis and do not typically utilize such information. For this reason, the total of Intercompany Receivables listed in the Debtors' respective Schedule B's exceeds the total of Intercompany Payables listed in the Debtors' respective Schedule B's by approximately \$126,000.
- o) Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. The Debtors reserve all rights to modify, amend, and supplement the Schedules and Statements as is necessary and appropriate.
- p) Materialman's/Mechanics' Liens. The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any materialman's or mechanics' liens.
- q) Recharacterization. Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. Thus, the Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate

items reported in the Schedules and Statements at a later time as is necessary and appropriate.

- r) Setoffs. The Debtors routinely are subject to certain setoffs and other similar rights exercised by or with respect to customers or suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items, including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs and other similar rights are consistent with the ordinary course of business in the Debtors' businesses and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such transactions. Therefore, although the exercise of such setoffs and other similar rights may have been taken into consideration when scheduling certain amounts, setoffs and these other rights are not independently accounted for, and as such, are excluded from the Schedules and Statements.
- s) Petition Date. Financial information for the Debtors is, unless otherwise noted herein or in the Schedules and Statements, provided as of the Petition Date of June 16, 2009.
- t) Third-Party Property. In the ordinary course of their business, the Debtors lease vehicles equipment from certain third-party lessors for use in the daily operation of their business and otherwise use and hold property owned by third-parties pursuant to contracts and leases with such parties. Such leases or contracts are set forth in Schedule G. The property subject to any such leases or contracts is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtors. Neither is the property subject to any such leases or contracts reflected in the Debtors' SOFAs as property or assets of third-parties within the control of the Debtors. Nothing contained in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease (including, but not limited to, whether any lease is a true lease or a financing arrangement) or contract (including, but not limited to, whether the contract is, in fact, an executory contract), and the Debtors reserve all rights with respect to any such issues.
- u) Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Debtors' books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- v) Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- w) Entity Classification Issues. The Debtors have endeavored in good faith to identify the assets owned by each Debtor and the liabilities owed by each Debtor. While the Schedules reflect the results of this effort, several factors may impact the ability of the Debtors precisely to assign assets and liabilities to particular

Debtor entities, including but not limited to (a) certain assets may be primarily used by a Debtor other than the entity which holds title to such assets according to the Debtors' books and records; (b) the Debtor entity that owns or holds title to certain assets may not be ascertainable given the consolidated manner in which the Debtors have operated their businesses; (c) certain liabilities may have been nominally incurred by one Debtor, yet such liabilities may have actually been incurred by, or the invoices related to such liabilities may have been issued to or in the name of, another Debtor; and (d) certain creditors of the Debtors may have treated one or more of the Debtors as a consolidated entity rather than as differentiated entities.

2. **Specific Schedules and Statements Disclosures**

- a) Schedule A. The Debtors have listed the value of their real estate at the net book value assigned to such real estate in the Debtors' books and records because the Debtors have determined that the most recent market valuations conducted by the Debtors are now out-of-date. This amount may be materially different from the fair market value of such real estate.
- b) Schedule B(9). The Debtors have listed the insurance policies that are held in a rabbi trust for the benefit of the participants in the Debtors' Supplemental Employee Retirement Plan (the "**SERP**") as assets of Debtor Building Materials Holding Corporation, notwithstanding the fact that certain of the relevant employees may have been employed by one of the other Debtors. Debtor Building Materials Holding Corporation established and is the Debtor party to the SERP, as indicated in the Plan documents and the relevant trust documents. The SERP is managed by the board of directors of Building Materials Holding Corporation, which must approve all contributions and distributions to or from the SERP. The value listed for the policies is the cash surrender value, which reflects more accurately the value the Debtors believe that they will obtain from such policies than the corresponding death benefit value. The corresponding liabilities relating to the SERP have also been listed as liabilities of Building Materials Holding Corporation on its Schedule F.
- c) Schedule B(16). Third-party accounts receivable have been listed as assets of the Debtor that issued the invoice to the customer. In some instances, the Debtors may have lien rights against the property of these account debtors or other various entities to secure the Debtors' claims.

The Debtors have not provided a detailed listing of the individuals and entities that owe them money because such detail contains confidential and proprietary information, including the identities of customers and the amounts that they owe to the Debtors. This information will be made available to the Court for *in camera* review upon request. It will also be made available to the U.S. Trustee

and the Creditors' Committee upon those parties' request (subject to appropriate confidentiality restrictions).

- d) Schedule B(23). The Debtors have listed various licenses, such as contractors' licenses, from governmental authorities. Many of these licenses may not be transferable and, therefore, may have no market value, although they do have value to the Debtors because they are necessary to operate the Debtors' businesses. Nothing herein or in the Schedules and Statements shall be construed as an admission or acknowledgment by the Debtors that any particular license is not transferable either pursuant to its terms or pursuant to the provisions of the Bankruptcy Code or has no market value, and the Debtors reserve all rights with respect to any such issues.
- e) Schedule B(30). The Debtors have identified inventory in three basic categories: (i) materials, consisting of building materials for retail sale, (ii) work in progress inventory, consisting of construction services in progress, and (iii) other inventory – parts.
- f) Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to or by a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended to be a summary only.

Where possible, Schedule D reflects real property lessors, utility companies, and other parties that hold security deposits. The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Schedule D for each Debtor reflects indebtedness owed pursuant to the Debtors' prepetition secured credit facility. In the case of Debtor Building Materials Holding Corporation, this indebtedness is in the form of a direct obligation as borrower; in the case of each of the other Debtors, this indebtedness is in the form of a guaranty of the prepetition secured credit facility by each such other Debtor. Although there are multiple lenders related to the revolving, term and letter of credit facilities that comprise the Debtors' prepetition secured credit facility, only Well Fargo Bank, N.A., the administrative agent for such lenders, has been listed for purposes of Schedule D.

To generate the list of creditors holding secured claims by virtue of a UCC filing, the Debtors utilized a UCC lien search that was performed on or about June 10, 2009. Because this lien search was performed approximately six days prior to the Petition Date, it is possible that certain claimants perfected their interests within the intervening period and, to the extent this occurred, these claimants may not be

listed on Schedule D. By listing a party on Schedule D based on a UCC filing, the Debtors are not conceding that such party actually holds a perfected, non-avoidable security interest in the asset that is the subject of such filing, and reserve their rights as set forth in the first sentence of this section 2(d).

The UCC lien search revealed numerous precautionary UCC filings made by certain of the Debtors' lessors with respect to property leased by the Debtors on leases that they Debtors believe are true leases. Where the Debtors do not believe that these lessors hold secured claims against their estates – because the leases in question are true leases - the secured claims of these lessors have not been included on Schedule D; similarly, the property that is the subject of such true leases has not been reflected as an asset of the Debtors on Schedule B.

Schedule D lists the outstanding balance on the Debtors' prepetition revolving credit facility (the "**Revolver**") as of the Petition Date of \$20,000,000. As a result of payments authorized by, and made pursuant to, the Interim and Final Orders approving the Debtors' debtor-in-possession financing, the Revolver balance has been reduced to \$16,000,000 as of the date of the Schedules.

Schedule D contains an entry for secured letters of credit in the amount of \$112,496,333. This amount reflects the face amount of letters of credit which have been issued by Wells Fargo Bank, N.A., as administrative agent under the Revolver, in favor of various third-parties, primarily the Debtors' insurers, as security for the Debtors' obligations to those third-parties. This amount is a contingent obligation of the Debtors but will become a current obligation if and to the extent that the beneficiaries of these letters of credit make draws on them as provided therein. To the extent that an improper draw is made on a letter of credit by a beneficiary thereof, the Debtors would have a claim against such beneficiary under the terms of its agreement with the Debtors; no such claim has been reflected on the Schedules.

- g) Schedule E. The Debtors are currently being audited by the Internal Revenue Service for tax years 2005-2008. Because the amount by which this audit may impact the Debtors' prepetition unpaid income tax liability to both the federal government and relevant state governments is not presently fixed, the Debtors have listed the amounts owed on account of income taxes as "unknown." The Debtors' current estimate is that the audit will result in a settlement by which the Debtors will agree to pay approximately \$7 million to the Internal Revenue Service for taxes owed in connection with tax years 2005-2008.

The Debtors have authority to pay certain prepetition obligations, including the authority to pay employee wages and other employee benefits in the ordinary course of business pursuant to Court order (the "**Employee Wage and Benefit Order**"). Pursuant to the Employee Wage and Benefit Order, the Debtors believe that any employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be

satisfied, and such satisfied amounts are not listed on Schedule E.

The Debtors also have received authority by Court order to provide the goods or services that were promised in connection with prepetition deposits that were advanced by individuals and other entities for the purchase, lease, or rental of property or services, whether for personal, family, or household use or otherwise (the "***Customer Programs Order***"). Pursuant to the Customer Programs Order, the Debtors believe that any claims on account of such deposits, whether allowable as a priority or a nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve any and all rights to assert that any claim listed on Schedule E is not entitled to be treated as a priority claim.

- h) Schedule F. Whenever reasonably practicable, the Debtors have allocated liabilities to particular Debtors. However, for a number of reasons, including that the Debtors' principally operated their business by business unit rather than by Debtor entity, it is practically impossible in certain cases to assign a given liability to a particular Debtor. To the extent a liability could not be attributed to a specific Debtor, the liability has been listed on Schedule F of Debtor Building Materials Holding Corporation. For a complete understanding of the unsecured debts of each Debtor, the reader should review Schedule F of each Debtor and Building Materials Holding Corporation. Despite the Debtors' reasonable and good faith efforts to properly allocate liabilities, certain liabilities may have been allocated to certain Debtors which should have been allocated to a different Debtor. In order to determine the total liabilities of the Debtors, parties in interest should review each Schedule F for all of the Debtors. Although the same claim may be listed on the Schedules and Statements of more than one Debtor, the Debtors do not admit or acknowledge that any creditor, other than creditors who have specific direct or guaranty obligations from more than one of the Debtors (including the creditors that are parties to the Debtors' prepetition secured credit facility and ISDA swap agreements), is entitled to assert its claim against more than one Debtor.

Schedule F also contains information regarding threatened or pending litigation involving the Debtors, including workers' compensation claims that have been asserted against the Debtors. The amounts for these potential claims are listed as "unknown" and marked as contingent, unliquidated, and disputed in the Schedules and Statements. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential litigation, if any, listed in question 4(a) of the applicable Debtor's SOFAs as contingent, unliquidated, and disputed claims, to the extent not already listed on Schedule F.

The Customer Programs Order (defined above) granted the Debtors the authority to honor prepetition customer programs. Accordingly, certain debts arising out of customer programs have not been included on Schedule F because the Debtors intend to honor these obligations in the ordinary course of business.

In some instances, the Debtors have received statutory notices of possible construction defect claims from homeowners. These notices are reflected on SOFA Question 4(a) but the homeowners are not listed on Schedule F as creditors because the Debtors have not determined whether there are, in fact, any defects, whether they are liable to repair any defects that are discovered, or whether the failure to make a repair would render the homeowners creditors of the Debtors' estates.

Schedule F also reflects the prepetition amounts owed to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Schedule F does not include additional rejection damages claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected as of or after the Petition Date.

The claims of creditors for, among other things, merchandise, goods, services, or taxes are listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The amounts listed may be exclusive of contingent and unliquidated amounts.

- i) Schedule G. While every reasonable and good faith effort has been made to ensure the accuracy and completeness of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination, non-disturbance and attornment agreements, supplemental agreements, amendments, letter agreements, title agreements and confidentiality agreements. Because of the number of such agreements and the difficulty in assembling a complete list of them given the size, magnitude and diversity of the Debtors' business, all of such agreements may not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or to challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, the Debtors reserve the right to assert that such agreements constitute executory contracts. Listing a contract or agreement on

Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to amend Schedule G to add executory contracts or unexpired leases or to challenge the legal status of any contract or lease, including the characterization of any lease as an unexpired non-residential real property lease, or whether any listed contract, lease, or other agreement constitutes an executory contract or unexpired lease. Any and all of the Debtors' rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are hereby reserved and preserved.

- j) Schedule H. For purposes of Schedule H, only Wells Fargo Bank, N.A., as the administrative agent under the prepetition secured credit facility, is listed for claims arising under such secured credit facility. In some instances, a co-debtor is liable with the applicable Debtor on multiple obligations owed to a single creditor. In many of these cases, the Debtors only listed the applicable co-debtor and creditor once, even though multiple claims are involved. For example, Building Materials Holding Corporation is a co-debtor with BMC West Corporation on multiple obligations to Gelco Corporation for the lease of vehicles, though BMC West Corporation and Gelco Corporation are only listed once on Building Materials Holding Corporation's Schedule H. Additionally, the Debtors have not listed any litigation related Co-Debtors on Schedule H. Instead, all such listings can be found on Schedule F and SOFA 4(a).
- k) SOFA Question 3(b). Payments are listed by the entity making such payment notwithstanding that certain payments may have been made on behalf of another entity.
- l) SOFA Question 4(a). The Debtors have made reasonable and good faith efforts to include in their responses to SOFA Question 4 a complete list of all lawsuits and litigation proceedings to which the Debtors were a party within the one (1) year period immediately preceding the Petition Date. To the extent the Debtors become aware that they have omitted any such lawsuits or proceedings, they will amend their SOFAs.
- m) SOFA Question 9. Debtor Building Materials Holding Corporation made payments on behalf of all of the Debtors to various professionals for restructuring services. The payments listed in SOFA Question 9 are only for restructuring related services. The Debtors may have made other payments to the listed professionals for non-bankruptcy related services, but these payments are not listed in SOFA Question 9.
- n) SOFA Question 10. The Debtors' dispositions of property outside of the ordinary course of business are set forth in connection with SOFA Question 2 and accordingly are not listed in connection with SOFA Question 10.
- o) SOFA Question 14. The Debtors routinely hold property for their customers in the ordinary course of business where those customers have paid for building materials but have not retrieved them from the Debtors' warehouses or business

locations. The Debtors have no interest in this property other than a mere possessory interest. In the ordinary course of the Debtors' business, the property held for others in this capacity changes hourly and it would be unduly burdensome, confusing, and incomplete to attempt to compile a list of all such property as of the Petition Date. Accordingly, property held on behalf of customers has not been included in the Debtors' response to SOFA Question 14.

- p) SOFA Question 17. The Debtors have listed environmental information in SOFA Question 17 and potential environmental liabilities in Schedule F, based on the information available to the Debtors at the time the Schedules and Statements were prepared. To the extent further investigation reveals environmental information or potential or contingent environmental liabilities, the Debtors reserve the right to amend the Schedules and Statements as necessary and appropriate.
- q) SOFA Question 19(a) and 19(c). The Debtors have closed various business units over the course of the past two years and information relating to the accountants who kept or supervised the keeping of the books and records at those business units is not readily available and has not been included. To the extent practicable, the books and records applicable to these closed business units are available through the Debtors' office in Boise, Idaho.
- r) SOFA Question 19(d). At the end of each of its fiscal quarters, fiscal years, and upon the occurrence of significant events, the Debtors prepared and filed with the Securities Exchange Commission (the "**SEC**") Form 10-Q (Quarterly Report), Form 10-K (Annual Report), and Form 8-K (Report of unscheduled material events or corporate changes) (collectively, the "**SEC Filings**"). The SEC Filings contain financial information relating to the Debtors. Because the SEC Filings are public record, the Debtors do not maintain records of the parties who requested or obtained copies of any of the SEC Filings from the SEC or the Debtors.
- s) SOFA Question 23. The Debtors utilize an integrated cash management system. As a result, during the year preceding the Petition Date, payments were made to insiders of each of the Debtors by Building Materials Holding Corporation, SelectBuild Construction, Inc. and/or some other Debtor. Some of these payments may have been for the benefit of another Debtor. These payments are listed on the SOFA for the Debtor making the payment, even if the payment was made to or for the benefit of an insider of another Debtor. To ascertain information relating to all payments that were made to insiders, all of the Debtors' SOFAs should be consulted.

Certain transfers identified in the answer to SOFA Question 23 are designated as "SERP Appreciation" or "SERP Adjustment." These transfers were not actually payments to the relevant officers but rather were transfers to the Debtors' SERP on behalf of such officers. The amounts paid remain in the SERP and are not now available to these officers. Instead, under the law applicable to the SERP, the

assets of the SERP are generally available for the payment of all unsecured claims at Building Materials Holding Corporation and any participants in the SERP, including the officers receiving SERP Appreciation or SERP Adjustment transfers, have a claim against the assets of Building Materials Holding Corporation, including the assets of the SERP, on account of their interest in the SERP.

In SOFA Question 23, the Debtors have not listed payments on account of Intercompany Claims. Intercompany Claims are reported on Schedule B in the manner identified above.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns).

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.
